

The Trier Christmas Market is one of the loveliest in Europa Tourism site nominates the 40th anniversary of the Market for online voting

Trier/Brussels: the 40th anniversary of the Trier Christmas Market is one of the 24 nominated Christmas Markets in Europe for online voting starting November 28. For almost ten years, the tourism platform www.europeanbestdestinations.com has called on travelers worldwide to vote and has drawn up the so-called „bucket list“ for the Internet. For numerous tourism experts, the Trier Christmas Market, from November 22 to December 22, is one of the most romantic Christmas Markets in Germany. The Trier Market has been the popular destination for bus groups for many years and has received the award „2019 TOP Bus Destination! on the Internet portal www.busreisen.com from Munich.

This year visitors can look forward to around 90 attractively decorated sales booths on the square in front of Trier Cathedral and at medieval Main Market. The Christmas Market will close only on Sunday, November 24, for the commemoration of the dead. The program for the whole family changes almost daily: from the historical puppet theater to a star tenor. The official opening with the Trier Lord Mayor, Wolfram Leibe, begins on November 26 at 5 p.m. The new German Mulled Wine Queen will be crowned on the stage at Cathedral Square. The organizers are counting on visitors from the world over in this anniversary year. The visitors from France, Luxembourg, and Belgium are especially enamored of the large selection of crafts Christmas decorations and delicious regional specialties such as vintner's hot mulled wine or "hot mulled Vierz" (Trier apple wine).
