

Trier: Best Christmas Market in Germany as Travel Destination in 2021

Pure romance between the attractively decorated Main Market and Cathedral Square

Trier. Travelers from altogether 121 countries have selected their favorites among the 20 nominated Christmas markets in all of Europe. The Trier Christmas Market received the most votes in Germany in this online voting. For 2021, Trier was awarded the title "Best Christmas Market in Germany for 2021" on the tourism platform "European Best Destinations." Our success means that we, the Bruch family as organizer, are committed to bringing many new ideas to the 41st Trier Christmas Market from November 19 to December 22, naturally while observing the current hygiene concepts to protect against Covid-19.

Access to the 41st Christmas Market in Trier from November 19 to December 22, 2021, will be conducted according to the current status of Covid regulations: that is, access for the vaccinated (complete vaccination + 14 days) or recovered (with certification from the Health Office/Healthcare Center or from a physician that is no more than 6 months old). Children up to and including the age of 11 are exempt from this Rhineland-Palatinate Covid regulation. Masks are required for visitors to the Christmas Market.

A singular decoration concept, hand-crafted Christmas decorations, and delicious regional specialties will invite visitors to stroll leisurely through the Market. Especially the visitors from France and Belgium enjoy the genuine "vintner hot mulled wine" and "hot mulled Vierz" (apple wine).
