

Trier: Best Christmas Market in Germany as 2022 Travel Destination

Unique romantic atmosphere in the heart of the city

Trier. Travelers from altogether 163 countries selected the 42nd Trier Christmas Market as their favorite in Germany for 2022. For every guest, it's worth a visit this year to Main Market and the Cathedral, especially from November 18 to December 22.

The Trier Christmas Market placed first in Germany in an online voting conducted by the tourism platform "European Best Destinations." Thus Trier bears the official title: "Best Christmas Market in Germany as 2022 Travel Destination." It was primarily the magical romantic atmosphere between the medieval Main Market and in front of the imposing Trier Cathedral that appealed to visitors in Germany and abroad.

A singular decoration concept for the sales booths and the hand-crafted Christmas decorations are a special feature of the 42nd Trier Christmas Market. Delicious regional specialties will invite visitors to stroll in the cozy atmosphere of Trier's Old City. Especially the visitors from France and Belgium enjoy the genuine "vintner hot mulled wine" from the Moselle and the "hot mulled Viez" (apple wine) from apple trees in the Eifel hills. The one and only "Mulled Wine Queen" in Germany resides solely in Trier, as an ambassador for the popular hot drink.
