

43rd Trier Christmas Market: Unique romantic atmosphere in the heart of the city

Trier. Travelers from altogether 163 countries selected the Trier Christmas Market as their favorite in Germany for 2022. There was the title „Best Christmas Market in Germany“ by the tourism platform „European Best Destinations.“ For every guest, it’s worth a visit this year to the Main Market and the Cathedral Square, especially from November 24 to December 22.

It is primarily the magical romantic atmosphere on the medieval Main Market and in front of the imposing Trier Cathedral that appealed to visitors from Germany and abroad. A singular decoration concept for the sales booths and the hand-crafted Christmas decorations are a special feature of the 43rd Trier Christmas Market. Delicious regional specialties will invite visitors to stroll in the cozy atmosphere of Trier’s Old City.

Especially the visitors from France and Belgium enjoy the genuine „vintner’s hot mulled wine“ („Winzerglühwein“) from the Moselle and the „hot mulled Viez“ (apple wine) from apple trees in the Eifel hills. The one and only „Mulled Wine Queen“ in Germany resides solely on the Trier Christmas Market. She is the ambassador of good taste for the especially delicious „vintner’s hot mulled wine“, which comes from the steep vineyards along the Moselle.
